

Emergency Department

With life's unpredictability, it's crucial to know that families in the southwest metro area have a nearby medical center. At Ridgeview, we offer 24/7 emergency care delivered by specifically trained medical teams to help manage those unforeseen events.

Here's a look at your generosity in action:

UPGRADED EMERGENCY DEPARTMENT

Our work continues on the renovations in the **Norman and Ann Hoffman Emergency Center** in Waconia, which will add and increase the size of rooms to enhance patient comfort, staff workflow and overall privacy.

FAMILY CONVENIENCES

We're adding additional family rooms, specifically designed to keep more members of the family comfortable when a loved one is in the Emergency Department for an extended time for additional observation and testing.

ADVANCED TECHNOLOGY

We now offer the GlideScope® to help increase comfort for patients who are difficult to intubate.

17  Emergency Department rooms

8 Emergency Department observation rooms

17,850 visits to the Emergency Department in Waconia

Thank You
