Ridgeview goes to the TIN CUP

Under the Harvest Moon
DEAR FRIENDS,

Welcome to Ridgeview Goes to the Tin Cup … Under the Harvest Moon event. Let’s help Hazeltine National Golf Club celebrate the impending Ryder Cup with a night of golf-themed frivolity. We are absolutely thrilled to have you join us at our 6th annual Under the Harvest Moon event.

Wear your loudest, most colorful, garish or favorite golf attire to the region’s premier social event of the season. Golf-related games and live auction items will be featured along with other non-golf related trips, events and evenings on the town. Be one of the first 100 to purchase a beautiful necklace/pendant and be included in a drawing for a stunning diamond ring.

Proceeds from this event will support the renovation of Ridgeview’s Emergency Department in Waconia. Be among the first to hear about Ridgeview’s exciting new project that will allow for faster triage and treatment, and increase the capacity to provide lifesaving procedures and treatments.

On behalf of the Ridgeview Foundation and Medical Center Boards of Directors, please accept our sincere gratitude for your continued support. This evening would not be possible without the work of many dedicated volunteers and staff.

Again, thanks to you! It is because of you that Ridgeview is able to attract and retain amazing physicians; have modern, patient-friendly facilities; and provide cutting-edge, state-of-the-art technology.

A MESSAGE FROM OUR EVENT CO-CHAIRS

We are honored to serve as co-chairs of Ridgeview Foundation’s 6th annual Under the Harvest Moon event. While the previous events’ special projects have always resonated with us, this year’s focus holds very special meaning for us, as we have practiced emergency medicine at Ridgeview since 1979—a total of 45 years between us.

We are incredibly grateful for the community’s support of and commitment to emergency medicine at Ridgeview over the years. Additionally, we are so fortunate to work as part of a team with many talented, caring and dedicated physicians, physicians assistants, nurses, paramedics, hospital staff and administrators. This expansion will allow Ridgeview’s emergency services to remain as a premier resource in the Twin Cities—attracting the best staff and providing a great resource for the communities we serve.

Thanks to you, Ridgeview continues to be the leader in health care in the southwest corridor and is a recognized leader in emergency medicine statewide and nationally.

We hope you have a wonderful evening and enjoy the delicious menu that Chef Eric Simpson has prepared for you.

Enjoy the event and remember to bid early and often in support of this lifesaving project. We deeply appreciate your support.

Warm regards,

Dr. Rob and Mary Welch

Emmy Award–winning meteorologist Ian Leonard has been forecasting the weather for more than 20 years and has been chief meteorologist at FOX 9 since 2006. His passion for weather has included stops in Edmonton, Canada; Mississippi; Iowa; and finally Minnesota. For more than 20 years he has used the phrase “stay sky aware” to help keep viewers ahead of storms, and it is now a regular “hashtag” in Ian’s social media updates during severe weather season to his 40,000 Facebook and Twitter followers. He calls his work at FOX 9 a dream job because of the four incredibly diverse and always entertaining seasons of the Upper Midwest. Ian graduated from the Broadcast Meteorology Program at Mississippi State University and is a member of the American Meteorological Society, the National Weather Association, and the Canadian Meteorological and Oceanographic Society.

Ian is an extremely active supporter of persons with intellectual disabilities. He is on the road every month of the year supporting the incredible athletes of Special Olympics Minnesota. You can find him “freezin’ for a reason” on most late winter weekends taking the Polar Plunge into lakes across Minnesota. In the past eight years, he has plunged 103 times and helped raise more than $17 million. In 2012, Ian and his wife started “The Ian Leonard Bad Pants Open” golf tournament for Special Olympics at Medina Golf & Country Club, raising more than $250,000; the tournament is a sell-out every year, and despite any amount of practice, Ian is still hitting ’em in the woods.

He lives in the southwest metro area with his two daughters and wife, Christy. Christy’s family has deep roots in Minneapolis dating back to the 1850s, when they arrived from Bavaria and settled in Golden Valley.

Ian can easily sum up his life in one sentence: I love my life . . . I love my wife, I love my daughters, I love my dog and I kinda like the cat.

THE EMERGENCY DEPARTMENT FOR THE FUTURE

Plans have begun in earnest to build what Ridgeview emergency physician David Larson, MD, terms as the “emergency department for the future.” Fresh off its success in constructing a state-of-the-art emergency and urgent care destination at Two Twelve Medical Center in Chaska, Ridgeview is launching a significant new project at its Waconia campus that will change the way emergency services are provided.

As the design scope considerations for the new addition take shape, it is planned that emergency care will be delivered in a new, innovative care model. Essentially, Ridgeview plans to triage emergency patients into one of four distinct types based on the level of care needed and length of stay required: Acute and Critical Care, Rapid (urgent) Care, Virtual Care (connecting with patients online), and Mental Health Evaluation and Stabilization.

With aesthetics, privacy and security central to the project, Ridgeview’s Emergency Department on the Waconia campus will have specialized areas and equipment to accommodate seniors, pediatric and mental health patients. An observation unit is also planned for those patients that need to be monitored prior to either their discharge or admittance to the hospital.

The design concepts will focus on enhancing the patient experience by eliminating bottlenecks at registration and improving door-to-door (arrival to discharge) times.

“I am extremely excited about the transformation of our Waconia Emergency Department,” said Robert Stevens, president and CEO, Ridgeview Medical Center. “One of our tenets at Ridgeview is to deliver innovative care and an outstanding experience to people who reside in the southwest corridor and beyond. This new, cutting-edge Emergency Department will be another example of that commitment.”

DESSERT DASH

On your mark. Get set. DASH!

What dessert will you and your table receive? It will depend on how much you’re willing to spend and how fast you are on your feet.

Before dinner, check out the delicious, gourmet desserts on display around the stage. There is one for every table, and here’s how you can get the one you want:

- Each table will have its own Dessert Dash Bid Sheet.
- When Ian and Stacey tell you it is time, pass the sheet around and have everyone at your table fill in his/her bidder number and the amount each person is willing to spend for your dessert. (We recommend a minimum $5 per person, and remember all of tonight’s money goes to support the Renovation of Ridgeview’s Emergency Department in Waconia)
- Total the amount for your table and wait for Ian and Stacey to tell you when it’s time to turn in your table’s Dessert Dash Bid Sheet.
- Select one person to be your table’s Designated Dessert Dasher, and reach consensus on which dessert your table would like.
- Once the table totals have been tabulated and put in order, Ian and Stacey will begin reading table numbers, from the highest bid on down to the lowest.
- When your table is called, have the Designated Dessert Dasher “dash” to the table and select your dessert.
- Don’t be slow, as table numbers will be called every five seconds—so some other table could take the dessert you want if you hesitate.

Have fun! And thank you for supporting Ridgeview!

1. Each guest will be given a bid card. To bid in the live auction, hold your bid card up high with the number toward the auctioneer. By bidding in the live auction, you agree to be bound by the terms of this auction agreement.

2. The Auctioneer reserves the right to add or withdraw items to or from the auction without notice.

3. A bid acknowledged by the auctioneer is a legal contract to purchase the item if the bid is the final, winning bid. If you bid on an item and win it, you agree to pay for the item won, in full, by the end of the evening.

4. Each auction item will be awarded to one purchaser only. A purchaser who wishes to split the payment for an auction item must pay for the item, in full, and then seek reimbursement from the other participants.

5. All purchases are final and there are no refunds. Further, no exchanges or substitutions are allowed unless the description of an item expressly provides for one. No refunds will be allowed on travel packages for cancelled tickets or accommodations.

6. Unless the description of an item expressly provides otherwise, all vacations and services must be claimed and used within one year of the auction date and all vacation accommodations must be mutually agreed upon with the donor.

7. All items are sold “as is.” Ridgeview Foundation disclaims all express and implied warranties including, but not limited to, warranties of merchantability and fitness for a particular purpose. 8. You are responsible for locating and removing your purchases from the auction premises before the end of the evening. If you purchase a service or other non-tangible item and the certificate for the item is not available at the auction, it will be mailed to you within one week of the auction.

9. We will gladly accept your payment by cash, check or credit card. Please make your check payable to Ridgeview Foundation. Winning bidders who have registered their credit cards at registration will have their credit cards billed for their auction totals at the end of the evening. Payments are tax deductible as a charitable contribution only to the extent provided by law. Generally, you may deduct as a charitable contribution the amount you pay above the fair market value of the item purchased. Please consult your tax professional.
