

FollowMyHealth ADULT PROXY Authorization Form

Adults who help manage the medical care of another adult can access the online health record of the patient, if the patient or legal representative of the patient authorizes. (See reverse for details.) Ridgeview's hospitals and clinics provide this access through a proxy account in FollowMyHealth. Once enrolled for access, you will receive an email invitation from noreply@FollowMyHealth.com to activate your account. If you do not see the invitation within 72 hours, please check your Junk or Spam folder; if you need assistance, call toll free 844-686-3497, for 24/7 technical support.

Patient	Full Name:		
	Address:		
	City:	State:	ZIP:
	Date of Birth:	Phone #:	
	Email:		

Please complete the below section for each individual requesting proxy access to above patient's account.

Proxy 1	Proxy 1's Name:		Proxy 1's Date of Birth:

FollowMyHealth ADULT PROXY Information

Adults who help manage the medical care of another adult can access the online medical record of the patient, if the patient or legal representative of the patient authorizes.

Requirements for online access to a patient's medical records:

- Individual requesting access must have signed consent from the patient's legal representative.
- Authorization form must be completed and signed.
- Each individual requesting access must have his/her own FollowMyHealth account.

I understand that:

- I must have a FollowMyHealth account.
- I must log in to FollowMyHealth with my own username and password to access a patient's online record.
- I agree to abide by the terms and conditions on the FollowMyHealth site.
- **FollowMyHealth is not to be used in an emergency.**

Access to a patient's record is revoked when the patient or physician submits a request or revokes access online. Ridgeview reserves the right to revoke online access to medical information at any time. Communications to Ridgeview clinics on behalf of the patient must be sent from the patient portal and responses will be received in the patient's portal. FollowMyHealth patient portal alerts will be sent to the email address entered in the patient's record.

When signed into another person's online medical record, you will see "Hello [First Name]" in the links at the top of the screen, alerting you that you are viewing their record. This will serve as a visual indication that you are in the proper record.

You will receive a FollowMyHealth Invitation Email with instructions on how to create a patient portal account. If you do not activate your account within 60 days after receiving your Invitation Email, your invitation will expire. Please promptly activate your account.

Support: Call 844-686-3497 for any questions you have about how to access or navigate within the patient portal.

*A copy of this information is available upon request.
Terms of service are available on the FollowMyHealth site and will be emailed to you once you complete your account activation.*
